This certificate is to confirm that the products manufactured and supplied by Lanaccess Telecom S.A. and all its subsidiaries are in compliance with the National Defense Authorization Act (NDAA).

Lanaccess has implemented robust internal controls to ensure ongoing compliance with the NDAA, and has taken all necessary steps to meet the rigorous standards set forth by the Act.

As a result, we hereby certify that all of our products comply with the requirements of the NDAA, and have been manufactured and supplied in accordance with applicable laws and regulations.

This certificate is issued to confirm our commitment to providing the highest quality products to our customers, and to demonstrate our ongoing dedication to compliance with all relevant laws and regulations.

If you have any questions or require further information about our compliance with the NDAA, please do not hesitate to contact us.
